With the Nedis smart plug, you can remotely switch on or off any electrical outdoor appliance you want with your smartphone or tablet. This way, you make every device smart. You can control all the devices with the Nedis SmartLife app or link the smart plugs to Google Home or Amazon Alexa to operate with your voice.

Thanks to the timer function, your devices switch off automatically or you can set a weekly schedule to turn the device on and off. It is also possible to make smart scenarios that can be activated with a single command or by pressing a button.

Weatherproof

This smart plug is resistant to rain with its splashproof housing (IP44 when not in use) and can take temperatures ranging from -5 to 40 °C.

Easy to set up
