This Nedis hand blender is the ideal blender for anyone who wants to prepare smooth soups, sauces, or smoothies. The stylish hand blender has a 600W AC motor and an ergonomic shape which makes it comfortable to hold. By pushing the knob on top you can control the speed of the hand blender where the turbo function allows you to puree ingredients extra smoothly and quickly.

It has a removable stainless steel bar which makes it easy to clean by rinsing under the tap. This makes it also easy to store it inside a drawer.
