2x Camera | Full HD 1080p | IP65 | Night vision | White

Brand: Nedis | Article number: SLNVR201CWT | Product EAN number: 5412810335831

Inner Carton EAN: | Outer Carton EAN: 5412810398256

Nedis.com

This Smart Wireless NVR Security Set offers a more professional security set, which is still easy to install. The 2 Full HD 1080p cameras connect wirelessly to the base station to store recordings safely indoors on SATA hard disk (not included).

Both cameras and base station are DC powered with included 12V adapters, but the communication is wireless. The base station connects to the internet, using an Ethernet cable for the most reliable solution.

Each camera also functions as a signal repeater between base station and the other camera to enable up to 100 meters distance between the furthest camera and the base station.
