This stylish extremely slim design 1000 Watt long slot toaster has 1 slot so you can toast 1 long slice of bread. With 6 different browning levels it is up to you to choose which kind of toast you prefer; from lightly toasted up to golden brown toast.

It has a cancel, defrost and reheat function. The defrost function makes it easy to defrost frozen bread quickly. This means you will always be able to enjoy a fresh slice of bread, even when it comes out of the freezer. The reheat function is perfect if you have one-day-old bread rolls and want to make them crispy again. The integrated bun warmer is ideal to quickly warm up a croissant, bagel, or rolls.
