Brand: Nedis | Article number: VREP3480AT | Product EAN number: 54 12810397822

Inner Carton EAN: | Outer Carton EAN: 54 12810397846

Nedis.com

This Nedis HDMI over Ethernet extender is designed to distribute HD signals with a 4K resolution over long distances up to 60 metres. This makes it a cost-effective solution for digital signage, presentation and demonstration applications. The HDMI over IP Extender is ideal for distributing video content throughout large buildings such as schools, hotels, hospitals, shops, shopping centers and business premises.

Both the transmitter and the receiver have two pairs of infrared connections which enable the bi-directional use of the remote to have control between the transmitter and receiver.
