Grill the perfect panini or even meat, fish, or vegetables with this Nedis contact grill. Thanks to 2000-Watt power, this contact grill heats up extremely quickly. Easily set your desired temperature by using the temperature control knob. The indicator light shows exactly when the contact grill is ready for use. The floating and height adjustable hinge system allows you to evenly grill thicker food. There is enough space to grill 4 sandwiches at the same time on the 29 x 23 cm-sized baking surface. The contact grill can even be folded open 180°, so you can also use it as a table grill.
