Grill the perfect panini or even meat, fish, or vegetables with this versatile Nedis contact grill. Thanks to the 2000-Watt power, the contact grill heats up quickly. Easily set the temperature by using the temperature control knob. The indicator light shows exactly when the contact grill is ready for use. The floating hinge system allows you to grill thicker food and can also be locked to prevent the food from being crushed. The grill comes with two types of plates: grill and flat baking plates. The contact grill can even be folded open to be used as a table grill.
