With this Nedis 1000-Watt powered waffle maker with rotary function, you can bake the most delicious waffles in no time. Its 17 cm diameter allows you to bake 4 waffles evenly simultaneously. The rotating function helps even baking and perfect browning. With the adjustable temperature control knob, you can bake your waffles just the way you prefer. The indicator light shows exactly when the waffle maker is ready for use.

The high-quality non-stick baking plates are fitted with a wide wrap to catch overflow dough. This in combination with the removable drip tray makes it easy to clean after use, as excess dough is captured when flipping the waffle maker.
