Nedis.com

With this Nedis air fryer oven, you can easily prepare the most delicious meals in a healthy way specially since the hot air circulation technology makes the use of oil no longer a necessity while preparing fries, meat, fish and vegetables. This air fryer oven is a multi-function kitchen wonder that can grill, bake, fry, roast and even dehydrate.

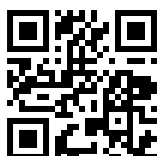

The hot air fryer oven comes with a baking plate and two grill trays so that you can bake on different levels at the same time. Next to that it comes with a rotisserie basket to prepare the best and most crispy chips and with a chicken rotisserie.
