SmartLife Smoke Detector

Wi-Fi | Battery Powered | Sensor life cycle: 10 year | EN 14604 | Max. battery life: 24 Months | 85 dB | White | 1 pcs

Brand: Nedis | Article number: WIFIDS20WT | Product EAN number: 54 12810404131

Inner Carton EAN: 54 12810407903 | Outer Carton EAN: 54 12810407934

This smart Nedis smoke detector always makes you feel safe, even when you are away from home. When smoke is detected, this device will send a notification to your smartphone and a loud alarm goes off. Simply connect the smoke detector to your Wi-Fi and you will be notified through the free Nedis SmartLife App. Thanks to App, you see immediately in which room your connected smart smoke detector is sounding. This allows you to act in a targeted manner in an emergency.

Its compact size of only 76 x 76 x 28.5 mm enables you to position it anywhere around the house and makes it unobtrusive, so it will blend in with the interior.
