Nedis.com

This easy to use smart Wi-Fi net with 400 warm white LEDS and a dimension of 3 x 3 metres brings easily (several) shrubs, facades, ceilings or objects into a magical atmosphere. Due to the advanced smart technology it brings your decoration to a higher level. Next to controlling the preferred brightness, you can also choose one of the 7 predefined effects with different kinds of moving patterns or the steady mode in the app. For even more comfort, you can set timers and routines so that your net is always illuminated at the right time.
