| Fall over protection**

Brand: Nedis | Article number: HTFA15BK | Product EAN number: 5412810405671

Inner Carton EAN: | Outer Carton EAN: 5412810405718

Nedis.com

This compact Nedis ceramic fan heater is ideal for those spots which require some extra heat, like a workspace or hobby room. With only 500 Watt power it's also ideal for use at the camping or in a caravan. The ceramic heating fan can create a pleasant warmth on cold days without any temperature fluctuations. Due to the thermostat, it will keep the room temperature at a stable level.

The heater is safe in use because of the integrated tilt protection switch which automatically deactivates the heater when it tips over. Furthermore, the ceramic heater is reliably protected against overheating.

Features

- Compact ceramic fan heater
- Energy-efficient PTC ceramic heating element
- Quick and agreeable warmth
- Ideal to heat a room of up to 5 m²
- Perfect for use at the camping or in your caravan
- 1 heat setting, 500W, ideal for extra heat
- Thermostat, to keep the room temperature at a stable level
- Safe to use thanks to the anti-tilt and overheat protection
- This product is only suitable for well-insulated spaces or occasional use
