Nedis.com

Take optimal control of your lights with this Nedis full colour ceiling light and create a nice mood which suits almost every moment of the day. Do you need bright, energizing lighting close to daylight to stay focused during late night study sessions? Or rather have a warm white glow to enhance a relaxed atmosphere during dinner? Extra feature for this ceiling light; you can select any colour you want. This Wi-Fi smart ceiling light provides the very right setting for every situation.

Control the light's brightness and colour temperature

Connect it and control the brightness using the Nedis SmartLife app on your smartphone or tablet, or with a simple voice command via Siri shortcuts, Amazon Alexa or Google Home.
