This Nedis LED festive projector brings atmospheric moving patterns to your home decoration. Included are slides for four different occasions, Christmas, New Year, Halloween and birthday. Just put up the projector anywhere way you want, outdoors and indoors. The extra-long power lead of 5 meters offers maximum flexibility, even if a power outlet is not nearby. It's easy to use; just plug the power plug into an outlet, stack the ground spike into the ground and the projector will directly create a festive scene. With a covering surface of up to 50 m<sup>2</sup>, you turn every background into a canvas.
