Stay connected with this lightweight Nedis walkie-talkie set and 2 including Push To Talk (PTT) headsets for easy communication in different situations like (winter) sporting.

Even in remote places which don't always have a strong mobile network, this walkie-talkie has a reliable up to 6-kilometre communication range in open field areas. Super convenient if you go hiking, camping or for any thinkable indoor and outdoor adventure.

With 8 channels and 38 CTCSS codes (subchannels) each, it's not very likely someone else is tuned to the same channel, which prevents interference and guarantees your conversations stay private.
