Nedis.com

This Nedis RGB Bluetooth® party boombox is a 2.0 channel 24 W wireless speaker that delivers strong and pure sound with a hard-hitting bass. You can boost the party with the flashing RGB LED lights at the front. These RGB lights change colour while playing music, but they can also be switched off.

This boombox allows you to enjoy your favourite music from your smartphone or tablet via Bluetooth®. You can also use the USB port or the AUX-IN connection for an external device to play music. With the TWS function, you can even pair up to 2 of these boomboxes for True Wireless Stereo.
