Magnifying Table Lamp

Lens strength: 3 + 12 Diopter | 6500 K | 6.5 W | 585 lm | White

Brand: Nedis | Article number: MAGL1WT | Product EAN number: 5412810413294

Inner Carton EAN: | Outer Carton EAN: 5412810417476

Nedis.com

This compact Nedis white magnifying table lamp has a powerful 3+12 diopter glass lens which equals magnification of 1.75x + 4x. This is achieved by using a glass lens with a diameter of 95 millimetres. This makes this 6 Watt magnifying lamp ideal for close-up work, which enables you to see every detail. Suitable for at work and as well as for a hobby.

The magnifying glass is illuminated by 40 SMD LEDs with a light intensity of 585 lumen and a colour temperature of 6500 Kelvin. On top is a protective cap and the lights are covered by a transparent lamp cover, which will assure very bright and clear light.

Features

- Durable and energy-saving SMD LED module with cool white day light
- Glass lens with 3+12 diopters and 1.75x + 4x magnification
- Horizontal swivel left and right 260° - To zoom into each detail from various angles
- Vertical swivel up and down: 70° - Easy to zoom into any detail
- Transparent lamp cover – Very bright and clear light
- Rubber table stand – the base is very stable and will not slide from position easily
- Protective cap – To protect the lens when it is out of use
