Magnifying Table Lamp

Lens strength: 3 Diopter | 6500 K | 9 W | 720 lm | White

Brand: Nedis | Article number: MAGL2WT | Product EAN number: 5412810413300

Inner Carton EAN: | Outer Carton EAN: 5412810417483

This flexible Nedis white magnifying lamp with table clamp has a powerful 3 diopter magnification (1.75x). This is achieved by using a glass lens with a diameter of 120 millimetres. This makes this 9 Watt magnifying lamp ideal for detailed work with small parts, both at work and for a hobby.

The magnifying glass is illuminated by 56 SMD LEDs with a light intensity of 685 lumen and a colour temperature of 6500 Kelvin. On top is a protective cap and the lights are covered by a transparent lamp cover, which will assure very bright and clear light. The flexible swivel arm can be clamped to a desk, table or other surface. The arm length is 125 centimetres. This means you can effortlessly create every setting you need for all your work.

Features

- Durable and energy-saving SMD LED module with cool white day light
- Glass lens with 3 diopters and 1.75x magnification
- Flexible swivel arm can be clamped to a desk, table or other surface
