

Wi-Fi | Warm to Cool White | COB | 2.00 m | IP20 | 2700 - 6500 K | 1000 lm | Android™ / IOS

Brand: Nedis | Article number: WIFILSC20CWT | Product EAN number: 5412810413508 | Inner Carton EAN: 5412810415403 | Outer Carton EAN: 5412810415410

Features

- Super thin LED-strip, with a width of just 10 mm
- Easy to set up in your Nedis® SmartLife app - simply connect it to your Wi-Fi to set, control and schedule this LED strip
- COB LEDs are much more efficient than traditional LEDs
- Suitable for any installation: the strips can be shortened every 30 cm
- New and innovative chip technique with 512 LEDs per metre
- A smooth, bright and continuous light effect, no empty/dark spaces due to the COB technique
- Double-sided adhesive (3M) already placed - for easy installation
