Inner Carton EAN: 5412810414130 | Outer Carton EAN: 5412810414147

Nedis.com

This Nedis single bay HDD SATA docking station enables you to access desktop or laptop hard drives without the frustration of assembling hard drive enclosures. By inserting a 2.5 / 3.5" SATA hard drive or SSDs directly into this docking station, you can quickly access drive contents and transfer files. Plus, you can swap out hard drives effortlessly with plug and play mounting.

The SATA III connector is backwards compatible with older SATA I and II hardware and the USB 3.2 gen 1 connection offers data transfer at high-speed of up to 5Gbps for even the largest of files.

Features
