The Nedis SmartLife chime is an additional wireless doorbell chime extension for the Nedis SmartLife video doorbells. With this wireless chime, you can hear the doorbell without needing your phone. This way you will not miss visitors or deliveries when your smartphone is not easily at hand. It is easy to install and works on batteries. You can select one of the four melodies and the volume with the SmartLife app.

## Features

- Additional wireless smart doorbell chime for the Nedis SmartLife video doorbells
- Ideal to get alerted when someone is ringing the video doorbell, without needing your smartphone
- Adjustable volume with 4 different melodies
- Option to connect up multiple chimes to a single video doorbell
- Plug & play installation, works on 3 AA batteries
- Compatible with Nedis types WIFICDP10GY, WIFICDP30WT, WIFICDP40CWT
