# SmartLife Blood Pressure Monitor

**Arm | Bluetooth® | LCD Display | 22 - 42 cm | Detection for cuff wearing / Irregular heartbeat detection / Keep still indication | White**

Brand: Nedis | Article number: BTHBP10WT | Product EAN number: 5412810418428

Inner Carton EAN: | Outer Carton EAN: 5412810418527

This Nedis smart upper arm blood pressure monitor is clinically validated and offers faster measurement results thanks to its intelligent inflating technology. It is very easy to use, as it immediately informs the user if there is an application error. This is complemented by the integrated motion detector to ensure accurate measurement results. Via Bluetooth® data transfer, the measurement results can be sent directly to the Nedis SmartLife app.
