Brand: Nedis | Article number: WIFICBO50WT | Product EAN number: 5412810418831

Inner Carton EAN: | Outer Carton EAN: 5412810428540

This Nedis SmartLife Full-HD Wi-Fi rechargeable pan and tilt outdoor IP camera allows you to see what's happening around your house regardless of whether there's an imminent threat or you simply want to feel completely safe. The camera comes with total flexibility thanks to its rechargeable battery and solar panel with 2 meter cable.

Due to its waterproof housing (IP65) the smart camera is protected from water, and can therefore be mounted to an external façade. The camera can be connected to your existing Wi-Fi network to monitor your house or garden and record any sound or motion, whether you are at home or on the road. The Nedis SmartLife app notifies you in case of movement, so you can intervene in time.

Battery operated
