This Nedis four-arm monitor adapter kit offers an innovative mounting solution if your PC monitor or TV screen has no integrated mounting holes. It enables you to mount non-vesa monitors or TV screens to existing screen mounts.

The adapter is designed to fit any VESA monitor mount with 75 x 75 mm and 100 x 100 mm mounting holes. It includes all required screws and other hardware for assembly. The kit uses a four-arm system to adjust to the different external dimensions of flat-panel monitors and clamp them in place securely.

Features

- Adapter kit to attach non-VESA monitor with a VESA mounting arm bracket
- Designed to fit any VESA monitor mount with 75x75 and 100x100mm mounting holes
- Easy mounting system for universal installation
- Suitable for non-VESA screens up to 27"
- Safe and secure installation
