Wi-Fi | Power meter | 3680 W | Type F (CEE 7/7) | 0 - 55 °C | Android™ / IOS | White | 3 pcs

Brand: Nedis | Article number: WIFIP121FWT3 | Product EAN number: 5412810419340

Inner Carton EAN: | Outer Carton EAN: 5412810419357

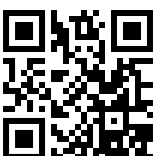

Switch any product with a power plug (e.g. a light, radio, fan, kettle, heated blanket) easily from your smartphone wherever you are or with a simple voice command to your Google Home or Amazon Alexa device.

Besides controlling it live you can also set a schedule to switch on/off at preferred times, or based on sunrise/sunset. This can be done for your own convenience when you're at home, or to simulate your presence while you're actually away from home to deter burglars.

By combining multiple smart plugs or other products from the Nedis SmartLife assortment you can create smart scenes that can be activated at once, or automations that are triggered by a camera, button, motion sensor or smoke detector.

Timer and schedule function
