**Ambiance Design | 180 W | Stereo | IPX5 | Black**

Brand: Nedis | Article number: SPBT6100BK | Product EAN number: 5412810439607

Inner Carton EAN: | Outer Carton EAN: 5412810442942

This Nedis Bluetooth® speakers set is a multifunctional 2-way speaker set featuring a 5,25" woofer and a 2" tweeter. Thanks to the built-in amplifier, the set can be connected quickly and easily. Because the amplifier has Bluetooth, you can easily make a wireless connection from a telephone, tablet, computer or notebook. The included wall brackets ensure that you can hang the speakers neatly. The 'auto-on' function switches the set on automatically as soon as a music signal is detected.

Thanks to the IPX5 protection rating the speakers are suitable for both indoors and outdoors. This makes them perfect for use on the terrace, balcony, under the patio or to be used for a garden party.
