Brand: Nedis | Article number: NBAU45110BK | Product EAN number: 5412810441167

Inner Carton EAN: 5412810441174 | Outer Carton EAN: 5412810441211

The Nedis 45 W universal GaN notebook adapter is the perfect companion for your notebook or netbook with a USB-C charging port. It is 100% compatible with the one that originally came with the notebook. Your laptop is always charged with the right amount of power thanks to the pre-defined Power Delivery profiles. The charger communicates with your laptop to select the most effective charging profile. This makes it possible to use the adapter also to charge a smartphone or tablet with USB-C connection.

This notebook adapter works with Gallium Nitride (GaN) technology, which is more efficient, smaller, lighter and less energy consuming than traditional silicon chargers.

Features

- Universal charger 45W for notebooks with a USB-C connector and Power Delivery support
- Always provides the correct amount of power for your notebook, smartphone or tablet
- 5 dedicated PD (Power Delivery) profiles
- Ideal as a 2nd power pack for home office, mobile working or on business trip
- Ultra-compact and lightweight design - easy to take with you
- International Efficiency Level VI
- Automatic Voltage selection
- Safe to use thanks to overheat protection and over Voltage protection
