The Nedis Full Motion monitor desk mount is a tilt, swivel and rotatable desk mount for 2 flat screens up to 32". This mount is a great choice to give you space saving on desks and work surfaces.

The versatile tilt (90°), rotate (360°) and swivel (180°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of a flat screen. The portrait-to-landscape 360° rotation gives a wide motion range. The mount is manually height adjustable from 0 to 40 centimetres. An innovative cable management system conceals and routes cables from mount to the screen. Ideal to keep the workplace nice and tidy.
