# LED Torch

**Battery Powered | 3.7 V DC | 10 W | N/A | Batteries included |  
Rechargeable | Rated luminous flux: 1000 lm | Light range: 200 m |  
Beam angle: 10 °**

Brand: Nedis | Article number: LTRR11WBK | Product EAN number: 5412810442867

Inner Carton EAN: 5412810443017 | Outer Carton EAN: 5412810443024

This Nedis LED torch is a lightweight and powerful rechargeable LED torch with an adjustable focus beam from a small spot light to high beam focused light. The robust anodized aluminum housing, with in-body USB-C charging port allows you to conveniently charge the included 18650 Li-ion battery. In the cap is also a power indicator so you know when the torch needs to be charged. The torch flashlight delivers a maximum 1000 lumens at a distance of 200 meters.

With a single click of the button, you can cycle through various modes, including high power (100%), medium power (40%), lower power (10%) and off with a single click. You can also hold down the button to access the SOS function or the strobe function.
