Nedis.com

Capture your most thrilling moments in stunning HD 5K resolution with the Nedis Dual Screen Action Cam. This innovative camera comes equipped with not one but two screens, featuring a large 2" TFT back side screen and a convenient 1.3" front screen, allowing you to actually see what you're recording – perfect for creating flawless vlogs, selfies, or action-packed videos.

With an impressive 16 MP picture resolution, this action cam ensures your still images are ultra-sharp, preserving your precious memories with remarkable clarity. The 170° fixed angle lens guarantees steady and immersive footage, giving you the confidence to take on any adventure while knowing your shots will always turn out great.
