SmartLife Finger Robot

CR2 | 1000 mAh | Bluetooth® | Three kinds of fingers

Brand: Nedis | Article number: BTSFR10WT | Product EAN number: 5412810450688

Inner Carton EAN: 5412810450725 | Outer Carton EAN: 5412810450732

The Nedis Bluetooth Smart Finger Robot is an ingenious device that transforms any switch into a smart, intuitive control interface. With a simple application, this mini marvel attaches effortlessly to almost any switch using the supplied 3M sticker, instantly making it smart and accessible.

Designed for convenience, the Smart Finger Robot comes with three types of finger tips, ensuring easy control of various devices. Through the Nedis Smart Life app, users can set schedules and automations, enhancing the home automation experience. With two versatile functions – push and pull back, click, or long press – it operates like a mini robot arm, simplifying tasks with precision.
