Cabinet Light

110 lm | Rechargeable | 1100 mAh | Motion Sensor | 10 hrs | 5 V DC

Brand: Nedis | Article number: LCRM01WT | Product EAN number: 5412810450756
Inner Carton EAN: 5412810450893 | Outer Carton EAN: 5412810450909

The Nedis rechargeable USB Type-C LED cabinet light with motion sensor is a practical and affordable solution to brightening up dark spaces effortlessly. No need for complicated wiring or installation hassles – simply attach it using the provided magnet strips or double-sided tape.

Experience convenience with its motion sensor feature, automatically illuminating spaces within a 5-meter range upon detection of movement. After a few seconds of inactivity, it seamlessly switches off, conserving energy efficiently. For continuous lighting, you can use the manual on/off switch.

Rechargeable via USB Type-C, it's a sustainable choice. Embrace simplicity and functionality with Nedis – lighting the way, effortlessly.

Features
