Brand: Nedis | Article number: LWORR05RD | Product EAN number: 54 12810450763

Inner Carton EAN: 54 12810450817 | Outer Carton EAN: 54 12810450824

nedis

The Nedis compact rechargeable and robust handheld LED Work light is ideal as a handy and compact light source for work in the home, in workshops or also for repair work in the automotive sector. Its swivel base, 360° swivel hook, and integrated magnet ensure hands-free operation, adapting to any situation.

Featuring a 3 Watt COB-LED with spot and flood light settings, as well as a 1 Watt LED on top, this light offers adjustable brightness tailored to your needs. With a remarkable beam distance of up to 20 meters and 300 lumens, it illuminates even the darkest corners.
