An optimally illuminated workplace not only ensures relaxed working, but also improves productivity. This stylish desktop LED lamp with 36 LEDs is dimmable and due to the flexible gooseneck arm and the elongated shape of the lamp good distribution of the light is ensured. You can choose by touch control between 3 different light modes, natural, cool and warm (2700 - 6500K). The lamp also has a timer function which allows you to set a timer for 40 minutes.

The desk lamp also has a 15 Watt Qi charging function to charge your smartphone. This makes the lamp ideal for keeping at your desk for charging throughout the day or by your bedside for charging overnight.
