Brand: Nedis | Article number: WIFICBO32WT | Product EAN number: 5412810455058

Inner Carton EAN: | Outer Carton EAN: 5412810455515

This Nedis SmartLife 4MP Quad HD Wi-Fi rechargeable outdoor IP camera allows you to see what's happening around your house regardless of whether there's an imminent threat or you simply want to feel completely safe. The camera comes with total flexibility thanks to its rechargeable battery and the possibility to add an optional solar panel.

Due to its waterproof housing (IP66) the smart camera is protected from water, and can therefore be mounted to an external façade. The camera can be connected to your existing Wi-Fi network to monitor your house or garden and record any sound or motion, whether you are at home or on the road. The Nedis SmartLife app notifies you in case of movement, so you can intervene in time.

Features

- Wi-Fi Smart Battery Outdoor Camera – maximum flexibility as it is 100% wireless
- Easy to connect directly to your Wi-Fi network - no separate hub required
- Ideal for mobile monitoring of home, garden and other belongings
- 4MP Quad HD 1440p resolution - captures precise details in full 2.5K (2560*1440) definition
- FOV (Field Of View): 120° - Large viewing area with 120° wide angle
- Waterproof housing (IP66) for outdoor usage
