Ultrasonic Jewellery Cleaner

Mains Powered | 220 - 240 V AC 50/60 Hz | Euro / Type-C (CEE 7/16) | White | Plastic

Brand: Nedis | Article number: JECL120WT | Product EAN number: 5412810455614

Inner Carton EAN: | Outer Carton EAN: 5412810455720

The Nedis Digital Ultrasonic Jewellery Cleaner is the perfect solution for keeping your valuables sparkling clean with minimal effort. This advanced cleaner harnesses the power of sonic sound waves vibrating at an impressive 43 kHz, ensuring a thorough clean every time.

Equipped with three cleaning settings, including weak (35W), strong (70W), and defoaming mode, this ultrasonic cleaner offers versatility for various cleaning needs. The defoaming mode is particularly effective for deep cleaning, removing residual bubbles to enhance the cleaning process and protect your precious jewellery from oxidation.
