Dash Cam

4K@30fps | 12 MPixel | 2 " | Wi-Fi | LCD | Dual camera | Cabine view camera | GPS | Parking sensor | Motion detection | Night view | Black

Brand: Nedis | Article number: DCAM2024BK | Product EAN number: 5412810464500

Inner Carton EAN: | Outer Carton EAN: 5412810464944

This Nedis dash cam records outside and inside the car in 4K and 1080p quality, which allows you to watch them later in clear detail. Ideal for recording the fun inside the car during long road trips with the cabin view camera.

The dash cam features a 2.0-inch LCD screen and a 140-degree wide-angle lens.

The cam works with a microSD memory card up to 256 GB and records in a loop, which means that when the memory card is full, it overwrites the previously recorded files.

It will start and stop recording as you start and stop the engine and the motion detection ensures that the camera only records when there is movement in the field of view.
