# SmartLife Water Detector

**Zigbee 3.0 | Battery Powered | Max. battery life: 12 Months | White**

Brand: Nedis | Article number: ZBSW11WT | Product EAN number: 54 12810469536

Inner Carton EAN: 54 12810469925 | Outer Carton EAN: 54 12810469932

Protect your home from unexpected water damage with the Zigbee Smart Water Leak Sensor. Compact, efficient, and easy to use, this device offers seamless integration into your smart home setup while providing peace of mind.

## Drip & Leak Alert

Equipped with dual detection probes on its underside, this smart sensor immediately responds to even the smallest drips or leaks. Whether it's under your sink, near your washing machine, or around your bathtub, this device ensures timely detection before minor leaks turn into costly damage.

## Stay Informed Anywhere
