Never run out of power again with the Nedis Fast Charge Power Bank 30,000 mAh. Designed for those who are always on the move, this high-capacity power bank ensures your devices stay charged wherever you are. With an impressive 30,000 mAh battery, you can charge multiple devices multiple times—whether it's your smartphone, tablet, smartwatch, or headphones.

Charge Three Devices at Once

Equipped with one USB-C™ Power Delivery (PD) port and two USB-A Quick Charge (QC) ports, this power bank allows you to charge up to three devices simultaneously. No more waiting for one device to finish charging before plugging in another—stay connected at all times.

Super-Fast Charging
