

The advertisement features a background image of a modern living room with a grey sofa, a wooden coffee table, and a large potted plant. In the foreground, two white, oval-shaped Nedis Zigbee Door/Window Sensors are shown. The sensor on the left is smaller and has a circular button, while the one on the right is larger and has a circular button and a small LED indicator. The Nedis logo is in the top left corner. Below it, the text 'Zigbee Door/Window Sensor' is displayed, followed by 'works with Nedis SmartLife*'. A diagram shows a blue house icon with a Wi-Fi symbol, labeled 'SmartLife', connected by a dotted line to a grey house icon with a Wi-Fi symbol, labeled 'ZigBee Gateway*'. Below the gateway, there are three circular icons: a red house with a white 'Z', a grey door, and a grey calendar. The Nedis.com website is mentioned at the bottom left.
