

FM-Radio | Draagbaar Model | AM / FM | Batterij Gevoed | Analoog | 1.5 W | Zwart-Wit Scherm | Koptelefoonoutput | IP20 | Aluminium / Zwart

Productspecificaties RDFM1110SI:

|                                |                |                                        |                  |
|--------------------------------|----------------|----------------------------------------|------------------|
| Aantal producten in verpakking | 1 Stuks        | Output                                 | 1x 3,5 mm        |
| AM-frequentiebereik            | 530-1600 kHz   | Radio ontwerp                          | Draagbaar Model  |
| Antenne type                   | Extern         | Scherm                                 | Zwart-Wit Scherm |
| FM-frequentiebereik            | 87.5 - 108 MHz | Speaker-kanalen                        | 1.0              |
| Geluidsuitvoer                 | Mono           | Type radio                             | FM-Radio         |
| Ingangsvoltage                 | 3 V DC         | Type stroombron                        | Batterij Gevoed  |
| IP-codering                    | IP20           | Type Tuning                            | Analoog          |
| Kleur                          | Aluminium      | Vereiste batterijen (niet meegeleverd) | 2x AAA/LR03      |
|                                | Zwart          |                                        |                  |
| Koptelefoonoutput              | Ja             |                                        |                  |
| Luidspreker piekvermogen       | 1.5 W          |                                        |                  |
| Luidspreker RMS                | 0.5 W          |                                        |                  |
| Materiaal                      | ABS            |                                        |                  |
| Maximale batterijduur          | 7 uur          |                                        |                  |
| Media afspeelmogelijkheden     | Radio          |                                        |                  |
| Mid-range size                 | 1.5 "          |                                        |                  |
| Ondersteunde radiobanden       | AM             |                                        |                  |
|                                | FM             |                                        |                  |
